Sponsor our Cause! Celiac Disease Fundraiser

The Suffolk County Celiac Group will be hosting their 4th Gluten Free Vendor Fair and Fundraiser on Saturday and Sunday, August 28th and 29th, 2010. This is the largest Gluten-Free consumer event in North America and is expected to draw over 2,000 attendees during our two-day event this August.

With your support and sponsorship, you will help us achieve our goal for further education, awareness and hopefully, a cure, for the often unknown & misdiagnosed debilitating disease.

Proceeds from this event will be used to fund basic research on Celiac Disease through the Celiac Disease Center at Columbia University and GIG, educate the medical and general communities concerning Celiac Disease and help Celiac suffers with proper treatment with gluten-free diets and medication.
